

IGameModule

```
graph BT; AGameModule --> IGameModule
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box with a black border labeled "IGameModule". Below it is a gray rectangular box with a black border labeled "AGameModule". A solid blue arrow points vertically from the top center of the "AGameModule" box to the bottom center of the "IGameModule" box, indicating that "AGameModule" inherits from "IGameModule".
